

COMPANY PROFILE

Sekgabe Turnkey Services

**ISO CONSULTING AND MANAGEMENT
SYSTEMS SPECIALIST**

1

INTRODUCTION

Sekgabe Turnkey Services is a professional consulting firm specializing in the development, implementation, and certification support of internationally recognized ISO management systems.

We are committed to helping organizations achieve operational excellence, regulatory compliance, and sustainable growth through globally accepted standards. With a strong focus on quality, safety, environmental responsibility, and welding compliance, we provide tailored solutions that align with each client's unique business needs.

We work across a diverse range of sectors including manufacturing, mining, construction, engineering, oil and gas, food processing, healthcare, and logistics. Our expertise enables us to address the unique compliance and operational challenges within each industry.

OUR VISION

To be a leading ISO consulting firm recognized for delivering innovative, reliable, and value-driven management system solutions across industries.

OUR MISSION

To empower organizations by simplifying ISO standards implementation, improving business performance, and ensuring successful certification through expert guidance and continuous support.
